

PROGRAMME OF EVENTS

POLEKO and KOMTECHNIKA 2009

Last updated: 26.10.2009

MONDAY, 23 NOVEMBER 2009			
Time	Event	Languages	Venue
10 am – 6 pm	13th International Ecological Congress "WASTE MANAGEMENT – CONDITIONS AND CHALLENGES" Organiser: ABRYŚ sp. z o.o. Co-organiser: MTP sp. z o.o. Admission paid, contact: phone: +48 61 655 81 21 or e-mail: s.kokocinska@abrys.pl, www.abrys.pl	Polish	World Trade Center Poznań sp. z o.o., Conference Room
10 am – 1 pm	13th International Ecological Congress ACCOMPANYING SEMINAR – PROGRAMME DRAFT Organiser: ABRYŚ sp. z o.o., DALKIA Co-organiser: MTP sp. z o.o. Admission free, contact: phone: +48 61 655 81 21 or e-mail: s.kokocinska@abrys.pl, www.abrys.pl	Polish	World Trade Center Poznań sp. z o.o., Small Conference Room
8 pm – 11 pm	13th International Ecological Congress CONGRESS GALA EVENING Organiser: ABRYŚ sp. z o.o. Admission by invitation Contact: phone: +48 61 655 81 21 or e-mail: s.kokocinska@abrys.pl, www.abrys.pl	Polish/ English	Apollo Cinema

TUESDAY, 24 NOVEMBER 2009			
Time	Event	Languages	Venue
9.30 am – 1 pm	Conference: "Innovative energy solutions for agriculture"	Polish	Pavilion 14B, 1 st floor
1 pm – 1.30 pm	Eugeniusz Kwiatkowski "Entrepreneurship" Award Ceremony for the environment protection industry		
10 am	2009 POLEKO and KOMTECHNIKA Opening Ceremony Organiser: MTP sp. z o.o. Admission: free for trade fair visitors	Polish/English	Pavilion 11
9 am – 4.30 pm	13th International Ecological Congress "WASTE MANAGEMENT – CONDITIONS AND CHALLENGES" "Danish Day – Heading for COP 15" Welcome address and opening of the Seminar	Polish/English	World Trade Center Poznań sp. z o.o., Conference Room
9.15 am - 9.45 am	Danish Ministry of the Environment, Ambassador of the Kingdom of Denmark		
9.45 am - 10 am	Session 1 – COMMUNAL WATER AND WASTEWATER MANAGEMENT Introduction: "Poland's political and legal situation, and infrastructural potential"		
10 am - 10.30 am	Impact of climate change on the development of urban and rural areas – hydraulic modelling as the primary tool for evaluating and optimising the situation, and for seeking energy savings in water resource management and municipal networks		

10.30 am - 11 am	Innovative wastewater treatment solutions for households		
11 am - 11.30 am	Reduction of energy costs and CO2 emissions in the water management sector – practical solutions		
11.30 am - 11.45 am	Questions and discussion		
	Session 2 – COMMUNAL WATER AND WASTEWATER MANAGEMENT		
12 noon - 12.10 pm	Introduction: "Political and legal situation in Poland"		
12.10 pm - 12.40 pm	Danish model of waste management – intercommunal management, waste tax in Denmark, Danish mechanisms for financing waste treatment projects, Environmental Protection Agency of the Danish Ministry of the Environment		
12.40 pm - 1.10 pm	Energy generation from waste – Danish experiences		
1.10 pm - 1.40 pm	"Green commune" – production of green energy from landfill gas – technology presentation		
1.40 pm - 2.10 pm	Eco-friendly communal recycling centres		
2.10 pm - 2.30 pm	Questions and discussion		
	Session 3 – BIO-COMMUNE: BIOGAS PLANTS AND GREEN IT		
3 pm - 3.10 pm	Introduction: "Political and legal situation in Poland"		
3.10 pm - 3.40 pm	Biogas development in Denmark. Current situation and future trends. Technological aspects of constructing biogas plants in Poland		
3.40 pm - 4.10 pm	GREEN IT solutions for communes		
4 pm - 4.30 pm	Questions and discussion		
	Organiser: ABRYŚ sp. z o.o. Co-organiser: Embassy of Denmark, MTP sp. z o.o. Admission free. Registration: contact: phone +48 61 655 81 21 or e-mail: s.kokocinska@abrys.pl, www.abrys.pl		
10 am – 5 pm	Polish-German Cooperation Talks of the Federal Ministry of Education and Research (BMBF): "German environment protection networks – Innovative projects for the future"	Polish/German	Pavilion 5, Sector B, Stand 65
9 am	Opening of the BMBF stand		
10 am	Official opening of cooperation talks at the BMBF stand		
11 am – 1.30 pm	BalticNet-PlasmaTec: "Plasma technology for the environment"		
2 pm – 4 pm	Network of Competence for Local Power Networks, deENet e.V. Network meeting: "Photovoltaics in Germany and Poland"		
4.15 pm – 4.45 pm	Brandenburg Future Agency (ZAB)		
	Organiser: Federal Ministry of Education and Research (BMBF), Germany Admission: free for trade fair visitors		
11 am – 4 pm	Renewable Energy Forum	Polish	Pavilion 4
	Organisers: MTP sp. z o.o., "Czysta Energia (Clean Energy)" monthly magazine (ABRYŚ sp. z o.o.) Admission: free for trade fair visitors		
10.30 am – 1.30 pm	Recycling Forum Recovery and recycling of packaging waste. Alternative fuels	Polish	Pavilion 3
	Organisers: "Recycling" monthly magazine, MTP sp. z o.o. Admission: free for trade fair visitors		

	Admission by invitation

WEDNESDAY, 25 NOVEMBER 2009

Time	Event		Venue
9 am – 5 pm	Polish-German Cooperation Talks of the Federal Ministry of Education and Research (BMBF): "German environment protection networks – Innovative projects for the future"	Polish/German	Pavilion 5, Sector B, Stand 65
10 am	Opening address to the participants of Innovation Forum (representatives of the Federal Ministry and German Embassy).		
10.30 am – 1 pm	Cooperation talks between Polish participants of the Innovation Forum and exhibitors at the BMBF stand		
2 pm – 2.20 pm	Fraunhofer Center for Central and Eastern Europe (MOEZ): "SINCE Research for Sustainable Development / Environment Protection"		
3 pm – 3.30 pm	PIA – Development and Assessment Institute in Waste Water Technology at RWTH Aachen University: "Application of wastewater treatment equipment in Europe"		
	Organiser: Federal Ministry of Education and Research (BMBF), Germany Admission: free for trade fair visitors		
1 pm – 5.30 pm	Innovation Forum – Renewable Energies		Pavilion 14A, 2 nd floor
	Innovation workshop: German-Polish cooperation for innovation and sustainable development – renewable energies		
1 pm	Opening Part 1 Renewable Energies in Poland and Germany – current situation and future prospects		
1.15 pm	Research, development and innovation in the field of renewable energies – prospects for German-Polish cooperation (Dr Gerd Meier zu Köcker, Director of the Institute for Innovation and Technology, Berlin/Germany)		
1.25 pm	Renewable energies in Germany and Saxony – possibilities of supporting German-Polish research and development projects (Dr Robert Franke, EESA Saxon Industrial Network for Renewable Energy, Dresden/Germany)		
2 pm	Current status and future prospects of Polish legislation relating to renewable energy support mechanisms (Pawel Plachecki, Department of Energy Enterprises RES and CHP Unit, Energy Regulatory Office - Urząd Regulacji Energetyki)		
2.20 pm	Current status and development potential of renewable energy in Poland, as well as research priorities and financing opportunities (Grzegorz Wiśniewski, CEO of IEO Institute for Renewable Energy, Warsaw/Poland)		
2.55 pm	Education as the driving force for worldwide dissemination of renewable energy (Tina Völker, Renewables Academy AG, Berlin/Germany)		
	Part 2 Innovation and cooperation – examples of success		
3.30 pm	Decentralised energy supply – strategy and prime examples (Jan Kallok, deENet Kompetenznetzwerk Dezentrale Energietechnologien, Kassel/Germany)		
3.50 pm	Integration of near-shore wind farm networks (Bogdan Gutkowski, Head of Consortium „Polskie Sieci Morskie“)		
4.10 pm	Solar thermal energy in Poland: current market situation and development potential from the perspective of industry representatives and installers		

<p>4.30 pm</p> <p>4.50 pm</p> <p>5.10 pm</p> <p>5.25 pm</p> <p>5.30 pm</p>	<p>(Grzegorz Wiśniewski, CEO of IEO Institute for Renewable Energy, Warsaw/Poland, „Platforma Słoneczna”)</p> <p>German-Polish cooperation in the field of solar energy (Sebastian Hesse, NARVA Lichtquellen GmbH + Co.KG, Brand-Erbisdorf/Germany)</p> <p>Geothermal energy: heating and cooling – a case study from Warsaw (Rüdiger Grimm, geoENERGIE Konzept GmbH, Freiberg/Germany)</p> <p>Final discussion - Summary</p> <p>Closing address and future prospects (Dr Monika Schidorowitz, German Embassy in Poland, Unit for Science and Research)</p> <p>Conclusion</p> <p>Organisers: Federal Ministry of Education and Research (BMBF) – Germany, Embassy of the Federal Republic of Germany, Komfort Consulting</p> <p>Admission: prior registration required at: office@komfortconsulting.eu; phone: +48 22 854 10 27</p>		
<p>10 am – 5 pm</p>	<p>Polish-German Forum for Energy and Environmental Protection</p> <p>Organisers: Ministry of Economy of the Federal State of Brandenburg and Brandenburg Future Agency (ZAB) in cooperation with the Marshal's Office of the Wielkopolska Region</p> <p>Partner: Consulate General of the Federal Republic of Germany in Wrocław</p>	<p>Polish/German</p>	<p>Conference Room, Eastern Lobby, Blue Room</p>
<p>9.30 am – 4.30 pm</p>	<p>Waterworks Forum</p> <p>Organisers: AQUANET SA, MTP sp. z o.o. Admission paid. Contact: d.nowacka@binte.pl, phone: +48 61/866 59 36</p>	<p>Polish</p>	<p>Pavilion 14B, 1st floor</p>
<p>10 am – 2 pm</p>	<p>Seminarium: „Opportunities of innovation in energy efficiency field”</p> <ol style="list-style-type: none"> 1. Introduction to GENESYS project Ms. Karolina Szlaska TECHIN (PL) 2. Introduction of ICT4EE field and opportunities Eng.Francesco Niglia INNOVA (IT) & Eng.Giorgio Recine LABOR (IT) 3. Business insight Mr Ikbel Tlili InVENT (FR) 4. Green house – economy, ecology, control Eng.Paweł Michocki, SIM Spółka Inżynierów (PL) 5. Smart Metering for Energy Efficiency Improvements. European Smart Metering Alliance. Eng. Dariusz Koc, Krajowa Agencja Poszanowania Energii (PL) 6. Presentation of GENESYS technologies: <ul style="list-style-type: none"> - INTEGRAL “Integrated ICT-platform based Distributed Control in Electricity Grids” - DEMAG “Domestic Emergency Advanced Generator” - TEAHA “The European Application Home Alliance” - DH-DSM “Demand Side Management of the District Heated Systems” - ENERGYSAFE “Low cost, retrofittable, wireless and selfpowered guiding control system for improving energy efficiency in commercial buildings” - DOMOHEAT “Heating systems for domestic and tertiary buildings” 7. One -to- one meetings <p>Organiser: TECHIN sp. z o.o.</p>	<p>English</p>	<p>Pavilion 15, Level C, Room 401</p>

	Admission: free for trade fair visitors		
11 am – 1 pm	<p>Conference: "European standards for domestic sewage treatment plants, and their practical use"</p> <p>Speech by Mr Fred Nyberg – Swedish delegate and expert consultant for the European Committee for Standardization (CEN)</p> <p>Organiser: EKODREN – Naturalne Systemy Oczyszczania Admission: free for trade fair visitors</p>	Polish/English	Pavilion 15, Level C, Room 402
10 am – 2.45 pm	<p>Symposium: Developments in the paper and cardboard waste sector in the light of new regulations</p> <p>Organiser: Association of Polish Papermakers Co-organiser: MTP sp. z o.o.</p> <p>Admission: free with prior registration; e-mail: info@spp.pl</p>	Polish	Pavilion 14B, Room C
10.30 am – 2 pm	<p>Polish nationwide conference concluding a series of regional seminars, and the educational programme entitled "Rubber raw material" - waste tyre management</p> <p>Organiser: Centrum Utylizacji Opon Organizacja Odzysku S.A. Admission: by invitation. Registration: www.gumowysurowiec.pl</p>	Polish	Pavilion 14A, 1 st floor
<p>10.30 am – 3.20 pm</p> <p>10.30 am</p> <p>10.35 am – 10.45 am</p> <p>10.45 am – 11.15 am</p> <p>11.15 am – 11.30 am</p> <p>11.30 am – 12.10 pm</p> <p>12.10 pm – 12.15 pm</p> <p>12.15 pm – 12.30 pm</p> <p>12.30 pm – 12.45 pm</p> <p>12.45 pm – 1 pm</p> <p>1.30 pm – 1.40 pm</p>	<p>Seminar: Norwegian solutions. Norwegian funds and innovative technology in water and wastewater management</p> <p>Seminar opening and welcome address by Mr Enok Nygaard, Ambassador of the Kingdom of Norway in Poland</p> <p>SESSION 1 Norwegian regulations in the field of water and wastewater management. Norwegian funds and Norwegian technology Chair: Vidar Segtnan</p> <p>Current situation and political climate for development of water and wastewater management in Poland - Antoni Tokarczuk, IGWP</p> <p>Norwegian regulations in the field of water and wastewater management - Marit Kjeldby, SFT</p> <p>Summary of the programme of Norwegian and EEA funding mechanisms in the period 2004-2009, Sidsel Bleken, Embassy of the Kingdom of Norway</p> <p>Norwegian technological solutions for the wastewater management sector - Prof. Halvard Ødegaard</p> <p>Water and wastewater management projects co-financed by the Norwegian Funds - Jacek Jasiński, NFOŚiGW</p> <p>Cooperation between GIOŚ (State Inspectorate for Environmental Protection) and SFT (Norwegian Pollution Control Authority) as an example of a project co-financed by the Norwegian Funds – representatives of Norwegian and Polish partners</p> <p>Solving the problem of environmental degradation in Lutocin commune – construction of a communal wastewater treatment plant and a sewerage system employing Biovac technology – representatives of Norwegian and Polish partners</p> <p>Questions and discussion</p> <p>SESSION 2 State-of-the-art technological solutions for water and wastewater management Chair: Prof. Marek Gromiec</p> <p>Introduction: Demand for innovative technological solutions in the field of water and wastewater management in Poland, IGWP</p>	Polish/English	World Trade Center Poznań sp. z o.o., Room 112, 1 st floor

<p>1.40 pm – 1.50 pm</p> <p>1.50 pm – 2 pm</p> <p>2 pm – 2.10 pm</p> <p>2.10 pm – 2.20 pm</p> <p>2.20 pm – 2.30 pm</p> <p>2.30 pm – 2.40 pm</p> <p>2.40 pm – 2.50 pm</p> <p>2.50 pm – 3 pm</p> <p>3 pm – 3.20 pm</p> <p>3.20 pm</p>	<p>Integrated sludge treatment as a source of valuable raw material - Bjarne Paulsrud, Aquateam</p> <p>Thermal hydrolysis of sludge, advantages of the technology - Harald Kleiven, Cambi</p> <p>Biogas production from different substrate mixtures – examples from Scandinavia - Leszek Zadura, Purac</p> <p>Wet oxidation of organic matter in wastewater – Dr Eng Wojciech Lasek, Ramboll</p> <p>New solutions in the field of wastewater aeration – Bogumił Kosteczko, Waterix</p> <p>Innovative technologies in water and wastewater management – Agnieszka Banrowska, SINTEF</p> <p>Effective filtration in municipal and industrial wastewater treatment plants – Ivar Solvi, Salsnes Filter</p> <p>Reducing energy consumption in sludge dehydration process – Jan Haraldsen, Epcon</p> <p>Questions and discussion</p> <p>Seminar conclusion, Vidar Segtnan</p> <p>Organisers: "Polish Waterworks" Economic Chamber (IGWP), Embassy of the Kingdom of Norway in Poland, Innovation Norway, Green Business Norway, in cooperation with the National Fund for Environmental Protection and Water Management (NFOŚiGW)</p> <p>Admission: free for trade fair visitors Contact: Ewa Kwast, phone +48/22/5810585, +48/601438686 e-mail: ewa.kwast@innovationnorway.no</p>		
<p>11 am – 4.45 pm</p>	<p>Conference: "Waste management – opportunities, threats and new technologies"</p> <p>Organiser: National Fund for Environmental Protection and Water Management, Regional Fund for Environmental Protection and Water Management in Poznań, Ministry of the Environment Admission: by invitation</p>	<p>Polish</p>	<p>Pavilion 14A, Large Room</p>
<p>10.30 am – 2.50 pm</p>	<p>Renewable Energy Forum</p> <p>Organisers: MTP sp. z o.o., "Czysta Energia (Clean Energy)" monthly magazine (ABRYS sp. z o.o.) Admission: free for trade fair visitors</p>	<p>Polish</p>	<p>Pavilion 4</p>
<p>10.30 am – 1 pm</p>	<p>Recycling Forum</p> <p>Hazardous waste. Collection and recycling of waste electrical and electronic equipment, as well as waste batteries and accumulators</p> <p>Organisers: "Recycling" monthly magazine, MTP sp. z o.o. Admission: free for trade fair visitors</p>	<p>Polish</p>	<p>Pavilion 3</p>
<p>11 am – 2 pm</p>	<p>Conference: Mecklenburg-Vorpommern: presentation of economic assets of the region to prospective investors</p> <p>Organiser: Invest In Mecklenburg – Vorpommern GmbH</p> <p>Admission: free for trade fair visitors Contact: Ute Piehl, Invest in MV, phone: +49-385-59225421 (in German) Joanna Adamowicz, Deutsch-Polnische Kooperationsbüro der Sparkassen, phone: + 49-335-55411820 (in Polish/German)</p>	<p>Polish/German</p>	<p>Pavilion 14B, Rooms A and B</p>
<p>9.30 am – 12 noon</p>	<p>Polish Environmental Hall of Fame</p> <p>Organiser: Geoloand Consulting International Sp. z o.o. Admission by invitation</p>	<p>Polish</p>	<p>Pavilion 14A, Small Conference Room</p>
<p>10 am – 1 pm</p>	<p>Conference: Integrated state-of-the-art waste management system in the light of Polish and Norwegian experiences</p> <p>Thematic scope: - Current regulatory situation, opportunities and threats in Poland</p>	<p>Polish/English</p>	<p>Pavilion 3A</p>

	<p>- Norwegian organisational and technological solutions - Norwegian Financial Mechanism – previous experience and future prospects for financing</p> <p>Organisers: National Chamber of Waste Management, Green Business Norway, National Fund for Environmental Protection and Water Management Conference under the patronage of the Norwegian and Polish Ministries of the Environment Admission: free for trade fair visitors</p>		
1.30 pm – 3.30 pm	<p>Debate: Energy from waste – pipe dream or necessity?</p> <p>Organiser: MTP sp. z o.o. Partners: National Chamber of Waste Management, Polish Chamber of Waste Management (PIGO), Institute for Ecology of Industrial Areas, Polish Association of Sanitary Engineers and Technicians, National Forum of Managers of City Cleaning Companies, Polish Recycling Chamber of Commerce, Polish Association of Municipal Unions of Communes, Waste Management Employers' Association Media Partners: "Przegląd Komunalny", Komunalny.pl</p> <p>Admission: free for trade fair visitors</p>	Polish	Pavilion 3A
<p>10 am – 5 pm</p> <p>International Technology Transfer Day – cooperation meetings of companies and research centres within the EEN network</p> <p>International Technology Transfer day – Brokerage Event</p> <p>10 am – 2 pm Individual meetings of technology providers and potential customers – Part 1</p> <p>3 pm – 5 pm Individual meetings of technology providers and potential customers – Part 2</p>	<p>Organiser: Poznan Science and Technology Park of the AMU Foundation/Enterprise Europe Network West Poland Co-organisers: Zukunftsagentur Brandenburg GmbH/ Enterprise Europe Network Brandenburg-Berlin; WTSCH - Wirtschaftsforderung und Technologietransfer Schleswig-Holstein GmbH/ Enterprise Europe Network Hamburg - Schleswig - Holstein; Area de Innovacion y Tranferencia de Tecnologia (Innovation & Technology Transfer Department) Asociación de Empresarios del Henares/ Red Enterprise Europe Network; Sustainable Sweden; Innovation Norway. Admission: free for trade fair visitors Registration: http://dt.ppnt.poznan.pl/events</p>	Polish/English	Pavilion 14 B, 2 nd floor
4 pm	POLEKO and KOMTECHNIKA Award Ceremony, including MTP Gold Medal and Acanthus Aureus awards	Polish/English	Pavilion 11
5.30 pm	Polish-Scandinavian POLEKO Business Mixer Organisers: World Trade Center Poznań, Embassies of Norway, Denmark and Sweden	Polish/English	World Trade Center Poznań sp. z o.o., Conference Room

THURSDAY, 26 NOVEMBER 2009

Time	Event		Venue
9 am – 5 pm	Polish-German Cooperation Talks of the Federal Ministry of Education and Research (BMBF): "German environment protection networks – Innovative projects for the future"	Polish/German	Pavilion 5, Sector B, Stand 65
9.30 am – 12.30 pm	BalticNet-PlasmaTec e.V.: Matchmaking event for the purposes of developing projects under the EU's 7 th Framework Programme – "Environmental Protection"		
2 pm – 4.30 pm	TASK Workshops: "TASK Leipzig – Centre of Competence for Soil, Groundwater and Site Revitalisation"		
	Organiser: Federal Ministry of Education and Research (BMBF), Germany		

	Admission: free for trade fair visitors		
8 am – 4 pm	International conference: "Polygeneration in the Construction Sector and in Industry" Organiser: Institute for Fuels and Renewable Energy Admission: by invitation	Polish	Pavilion 14B, Room A
11 am – 3 pm	Seminar: "Passive and energy-efficient buildings in the light of environmental concerns" Organisers: Knauff Insulation, Association of Energy Auditors Admission: free for trade fair visitors	Polish	Pavilion 14B, Room B
10 am – 2 pm	Symposium: Developments in the paper and cardboard waste sector in the light of new regulations Organiser: Association of Polish Papermakers Co-organiser: MTP sp. z o.o. Admission: free with prior registration; e-mail: info@spp.pl	Polish	Pavilion 14B, Room C
10 am – 3 pm	Conference: "EU support for environmental protection investments" Session for entrepreneurs Organiser: European Funds Co-organiser: MTP sp. z o.o. Admission: free with prior registration: www.fundusze-europejskie.pl, contact: Marta Gałkowska, phone: +48 61 278-79-35	Polish	Eastern Lobby, Green Room and Blue Room
9 am – 1.45 pm	Conference: "Waste management – opportunities, threats and new technologies" Organiser: National Fund for Environmental Protection and Water Management, Regional Fund for Environmental Protection and Water Management in Poznań, Ministry of the Environment Admission: by invitation	Polish	Pavilion 14A, Large Room
10.30 am – 2.40 pm	Renewable Energy Forum Organisers: MTP sp. z o.o., "Czysta Energia (Clean Energy)" monthly magazine (ABRYS sp. z o.o.) Admission: free for trade fair visitors	Polish	Pavilion 4
10.30 am – 1 pm	Recycling Forum Recycling of end-of-life vehicles Organisers: "Recycling" monthly magazine, MTP sp. z o.o. Admission: free for trade fair visitors	Polish	Pavilion 3
10 am – 5 pm	Youth Climate Summit Organisers: Gazeta Wyborcza daily, the City of Poznań, MTP sp. z o.o. Admission by invitation	Polish	Pavilion 15, Conference room, Pavilion 14B
11 am – 12 noon	Conference: "Wastewater treatment plants – innovative technical solutions and financing opportunities from EU and national funds" Organiser: Ecoventis sp. z o.o. Admission: free for trade fair visitors	Polish	Pavilion 15, Room 503
11 am – 1 pm	Debate: Staffing for municipal services and environmental protection Organisers: MTP sp. z o.o., Editors of "Przegląd Komunalny" magazine Admission: free for trade fair visitors	Polish	Pavilion 3A
2 pm – 2.30 pm	Energy – from – Waste: what goes in? What comes out? Organiser: European Suppliers of Waste to Energy Technology Admission: free for trade fair visitors	Polish/English	Pavilion 3A

5.30 pm – 8 pm	Swiss Evening Admission by invitation		World Trade Center Poznań sp. z o.o., Conference Room
FRIDAY, 27 NOVEMBER 2009			
Time	Event		Venue
9 am – 1 pm	Polish-German Cooperation Talks of the Federal Ministry of Education and Research (BMBF): "German environment protection networks – Innovative projects for the future"	Polish/German	Pavilion 5, Sector B, Stand 65
9 am – 1 pm 2 pm	Cooperation talks at the BMBF stand Closing of the BMBF stand		
	Organiser: Federal Ministry of Education and Research (BMBF), Germany Admission: free for trade fair visitors		

SPECIAL EXPOSITIONS			
	Exhibition – FOTO-EKO Nature Photography Competition Organiser: SALAMANDRA – Polish Society for Nature Conservation		Pavilion 3, Stand 8
	Educational Corner Organiser: PULS-ART – Edukacja Leśna		Pavilion 3, Stand 48
	"Glass Statuette" Exhibition Organiser: ABRYŚ Sp. z o.o. – Przegląd Komunalny magazine		Pavilion 3A
	Anna Kopaczewska's exhibition – Visualisation of air contamination data for the Silesia region" – Institute for Ecology of Industrial Areas		Pavilion 5, Sector A, Stand 1
	CITY-TRUCK-SHOW – Live demonstration of municipal cleaning equipment		Outdoor fairgrounds in front of Pavilion 11
	"Catch the Rabbit" Exhibition of the National Photographic Competition Organiser: Secretariat of the "Responsible Care" Programme		Pavilion 5, Sector F, Stand 229
	"Green Office" – presentation of alternative eco-friendly office supplies and advertising solutions		Pavilion 5, Sector C, Stand 78
	Exhibition of the Ministry of Environment		Pavilion 5, Sector E, Stand 216
